Walesby Forest provides a full range of corporate events, team building and training programmes. Our focus is on experiential and blended training programmes that are interactive, learner intuitive, motivating and highly successful.

We are set in 250 acres of Sherwood Forest with purpose-built activities and facilities, but we can operate in client facilities or arrange alternative venues to suit.

Our programmes can be tailored to deliver measurable outcomes and incorporate our own unique brand of blended learning and situational development techniques.

We utilise practical and cerebral challenges in specific locations where participants will not only enjoy the experience but gain valuable outcomes which meet the employer's needs.
