Free children's evening entertainment (disco or campfire)

## Our Camping Pitches

Set in 250 acres of woodland and unspoilt scenery, Walesby Forest is the home to many regular campers who choose the leafy beauty of Nottinghamshire as their destination for their holidays. Our wide range of pitch sizes cater to a variety of needs, from 15m x 15m, 20m x 20m, to 30m x 15m, as well as standard and electric pitches and spaces for large groups and dog-friendly stays.

Tents, caravans and motorhomes are all welcome, and our facilities mean you'll have everything you need to set up camp and get settled. Water and Elsan points make hooking up quick and simple, and our on site showers, toilets and

waste recycling points give you easy access to some essential home comforts. You can also enjoy our onsite shop, bar, and wide range of activities as well as 250 acres of Robin Hood county to roam and explore at your leisure.

Activities include water sports, climbing, archery, rifle shooting and many more. A daily programme of what's on offer is available on our website, with activities available on a queue and do basis. Our team of qualified instructors are always on hand with a promise to make sure you have fun in a safe and secure environment.
